

## **A Reminder**

The Season of Lent begins on Wednesday, February 22. This is traditionally the time of year when we reflect more deeply on the great love that God has for us. He showed us this love through his Passion, Death and Resurrection.

The word Lent means "springtime", not only because the season is celebrated in early spring, but because it is a time of renewal, refreshment and growth for our Spiritual Life. Make good use of this time by participating in the weekday Celebration of the Eucharist, the Sacrament of Penance, Stations of the Cross, the Easter Triduum and especially this year our Parish Mission.

Please keep a copy of this schedule for your reference. It can also be found on the Web Site [www.sacredheart-lbg.org](http://www.sacredheart-lbg.org)
